

WE WOULD LIKE TO INTRODUCE OURSELVES

GTC eV is based in Munich and online worldwide - personal - online at any time.

WHY WE ?

Your personal and private information is very sensitive. Therefore, we would advise you professionally with experience, expertise and especially for you of course in fluent English and assist you in all your German income tax matters .

You provide us your tax-relevant documents and we do the rest.

Of course, we are always available for all your questions.

We are qualified and reliable by many years of experience !

Expertise and commitment - our members are the focus .

WHO CAN JOIN US?

All employees, retirees or dependent receiver can enjoy our advice that relates to revenue, even they have additional income for example from rental and leasing , from capital assets or from private sales transactions .

However, these additional incomes may not exceed 13,000 EUR /26,000 EUR for married couples.

AND THIS IS HOW WE PROCEED :

You apply for a membership and sign the application form.

You will receive a questionnaire with the most important and most frequently asked questions .

Then we personally contact you to provide more relevant questions as the German tax law is very complicated and diverse.

All documents are stored with us in an electronic archive for 10 years. So you have always a "backup" for all documents with us .

Then we will prepare your tax return and submit the declaration on your behalf at your tax office .

You authorize with a power of attorney and we will take over all work.

All mail comes directly to us and will be immediately processed by us .

Once the tax assessment is present with the refund , you will receive the document from us.

If necessary, we also place an objection .

You never pay extra cost !

The tax refund is getting paid into your account - directly from the tax office.
